

INSTRUMENTAL LESSONS REQUEST FORM

If you would like us to arrange music lessons for your son or daughter, *please complete this form and return to Mrs Dale.*

Dear Parent/ Guardian,

At Paignton Academy we are delighted to offer a range of opportunities for students to learn musical instruments with expert teachers. We already have experienced keyboard, singing, guitar, drums and violin teachers working at the Academy and can arrange lessons on a wide range of instruments on request.

Students can choose to learn on their own, or in a group of 2-3 and lessons last between 20 – 30 minutes.

The cost per student per lesson varies depending on the instrument, but as a guide last year most were charged at £11 for a 20-minute individual lesson or £16 for a 30-minute individual lesson .

Lessons take place during Academy time on a rota basis so that students do not miss the same subject every week.

We currently have specialist teachers who offer lessons on Piano, Singing, Drums, Guitar and Woodwind (Clarinet, Flute, Saxophone).

By signing this form, you are in agreement with the conditions as stated below and agree to your details being released to the teacher concerned.

Lesson Terms and Conditions

I understand that tuition is organised on the following conditions:

- Tuition is provided independently from the school, and you will be required to complete a separate contract with the teacher for their services.
- Lesson fees are set by individual teachers.
- Tuition fees are payable in advance, i.e. by the start of the term in question. Failure to pay will result in suspension of lessons until payment is received.
- Lessons are timetabled during the normal school day but on a rota to minimise any disruption to academic teaching. BRC students receive lessons after school and will need to go to WRC.
- The school is unable to provide students with instruments so please ensure that you hire or purchase an instrument before booking lessons. Instruments can be hired from Music Hub at a reasonable price. Mrs Dale can help to arrange this.
- To terminate lessons, parents must give a half term's notice in writing to the individual teacher. Failure to do so will incur a half term's fees in lieu of adequate notice.
